Dear FIRST NAME,

On behalf of everyone at South Shore Habitat for Humanity, along with our Family Partners, I would like to thank you for your generous donation OF \$\$\$?ITEM. It will be of great assistance to families seeking simple, decent homes here on the South Shore.

Our Family Partners are well aware of the critical role that donors like you play in their journey towards homeownership. As Joanne Tusi, a Habitat Family Partner in Norwell, said:

"You have changed our lives in ways you will never know."

Because of your generosity, South Shore Habitat can spread its mission faster and farther - building safe, affordable housing for more families in even more South Shore communities.

Gratefully,

Local Partnership Committee
Chairperson
