

# 17th Annual Gala & Auction

Our 17<sup>th</sup> Annual Gala & Auction is quickly approaching. This is South Shore Habitat for Humanity's largest fundraiser of the year, and we anticipate raising over \$140,000, which represents the full cost of a South Shore Habitat home. We are pleased to announce that Reebok will once again host the event, and its guests, at their world headquarters in Canton, MA on Saturday, May 1, 2010.

South Shore Habitat for Humanity helps working families reach self-sufficiency by selling homes at cost through twenty year, zero percent interest mortgages. In the 35 towns and cities south and southwest of Boston that South Shore Habitat for Humanity serves, we have built 46 homes helping over 84 adults and 168 children.

Our success in bringing simple, decent housing to deserving families depends on an extended network of volunteers, congregations and corporations that come together to improve their community. It is our pleasure to offer you a unique opportunity to sponsor this Gala event. Please see the enclosed sponsorship opportunities and let us know which level of sponsorship would be appropriate for you or your organization. We would appreciate your response by February 22, 2010.

Please join us as part of this celebration and help us strive towards our goal of partnering with families in need to provide decent, safe and affordable housing. God Bless!

Sincerely,  
  
Jerry McDermott  
Executive Director
