

Mission Vision

A world where everyone has a decent place to live.

Mission Statement

Habitat for Humanity works in partnership with God and people everywhere, from all walks of life, to develop communities with people in need by building and renovating houses so that there are decent houses in decent communities in which every person can experience God's love and can live and grow into all that God intends.

Artists Needed!

Decorate a birdhouse for the South Shore Habitat for Humanity

Updates on Building, Fundraising, Matching Grant and more . . .

Please join us for our next Tri-Valley LPC meeting at the Medway Community Church Fellowship Hall (Route 109) on February 2 at 7:30 PM

We're on our way!

In spite of the cold weather, good progress is being made at 9 Walker Street in Medway. Prospective homeowners John and Elizabeth Dahl and their family have been working side-by-side with volunteer groups since mid-December to install the joists, decking and now the framing of the house. Liz Dahl and a group of students from Milton High School are shown here raising the first wall of the house on January 16.

The second and third walls went up on January 23, thanks to a crew from UCC Millis.

for the South Shore Habitat for Humanity Birdhouse Show to be held at South Shore Plaza in Braintree, April 23-25. We will deliver one or more birdhouses directly to your door. Please contact us at info@trivalleylpc.com.

Houses like this one need your ALT (Artistic Loving Touch).

The house is really taking shape!

Fundraising Update

We have raised almost \$100,000!

A sincere thank you to all of you who have made donations to South Shore Habitat for Humanity in support of 9 Walker Street. This amazing and encouraging response puts us 2/3 of the way to our goal of \$150,000 to cover the entire cost of the house. Just a reminder that your donations will go a lot farther than this one Habitat house -- once the house is completed, the Dahls' monthly mortgage payments will be recycled into South Shore Habitat's Fund for Humanity to build more homes.

And There's More - Double Your Donation!

The Tri-Valley LPC has received a matching grant through South Shore Habitat for Humanity. The next \$15,000 in donations will be matched dollar for dollar for the 9 Walker Street home. Please help us to take advantage of this wonderful opportunity by making your donation to South Shore Habitat for Humanity, 28 River Street, Braintree, MA. Please write "Tri-Valley LPC" in the memo portion of your check.

Thanks to Our Corporate Sponsors

We are also grateful to the following Corporate Sponsors who have contributed toward achieving our \$150,000 goal: Silicon Valley Bank, ReMax, Bryant University, Hamel & McAlister, and Nittany Construction. Watch for more information about these generous donors in our next email newsletter. If your company might be interested in making a corporate donation please contact Doug Marshall at dougwm@comcast.net.
