Come Join in the Fun!

Project "Poison Ivy" -- Sound like fun to you? We need 2 adult volunteers to help protect the Dahl family children and all their new Medway friends by helping to eradicate the poison ivy that has lived on the 9 Walker Street site for years.

On-Call Saturday Volunteers -- Have a tough week at work and want to spend a day with people who really appreciate how hard you work? We already do! We need you as an On-Call Saturday Volunteer for those times when a scheduled volunteer can't make it at the last minute. Thanking you, in advance. Just e-mail: michael.polagye@fmglobal.com or info@trivalleyipc.com and mention "On-Call Saturdays".

Tuesday Build Days -- The race is on to complete the house in time for the Dahl Family to move in so their children can start the next school year in Medway. The workday is from 8:00 am to 3:30 pm with morning coffee breaks and lunch too! Can *you* help? If not for a whole day, maybe just the morning or the afternoon. E-mail us today info@trivalleyipc.com and mention "Tuesday Build Days".
